

Midtown Modern

Tan Quee Lan Street should be not a stranger to us. Located at city centre near Bugis MRT Station, it encompasses high connectivity throughout Singapore. In March 2019, Urban Redevelopment Authority (URA) has offered a tender for a 99-year leasehold site under the Government Land Sales Programme. The site, which takes up maximum gross floor area of 521,300 square feet, is planned to accommodate around 580 units. The site will include the first storey for commercial use and others for residential use. Midtown Modern has been acquired by GuocoLand and Hong Leong for S\$800 million.

If you are thinking about your kids' future, living in Midtown Modern condo is a decent choice, which is surrounded by numerous well-known schools such as Stamford Primary School, School of the Arts (SOTA), Laselle College of the Arts and Singapore Management University.

Apart from the accessible school network, your kids will have their whole person development fulfilled through visits to National Museum of Singapore and Singapore Art Museum. Books should be the best company to students, National Library and Bras Basah Complex would accommodate countless book worms. To further energize students and kids in the community, Mint Museum of Toys has a collection of more than 50,000 toys for admiration. [midtown modern](#)

It takes only 2 minutes to walk from Midtown Modern to the nearby trendy shopping malls. Bugis Junction, Duo Galleria and Bugis+ are the closest shopping malls which can you provide you a vibrant life there with plenty of retail shops and F&B.

Artistic coffee shops and famous fashion brands draws you every second of attention. If you want to shop outdoors, Bugis Street Market offers a wide variety of cheap and traditional products which overwhelm you with smiles.

Best among of all for investors, Midtown Modern Singapore is surrounded by not 1 but 6 Grade-A offices. They are Duo Tower, Bugis Junction Tower, Parkview Square, South Beach Tower and the future Guoco Midtown and Shaw Towers.

If you are looking for supreme connectivity and vibrant lifestyles at the centre of the City, Midtown Modern is perfect for you.

Unique Selling Points

Situated within the new Central Business District and Core Central Region (CCR) of Singapore in District 7, at the epic centre of Ophir-Rochor and Beach Road corridor transformation of live, work and play with plenty of amenities stone throw away.

Within walking distance to major shopping malls such as Bugis Junction, Bugis +, DUO Galleria, Suntec City Mall and Raffles City.

Just across the road of Midtown Modern is the “sister” development, Guoco Midtown, which consists of Grade A office towers, one single tower of exclusive residential development with public and retail spaces. The former Beach Road Police station, which is under conversation, is also part of the development.

Next to Bugis MRT interchange station, Midtown Modern will benefit from the easy connectivity to 4 MRT lines of Singapore, East-West Line, North South Line, Circle Line and Downtown Line.

Great connectivity to 3 major expressways in Singapore, East Coast Parkway (ECP), Marine Coastal Expressway (MCE) and Central Expressway (CTE). It is also short distance drive to the future North-South Expressway (NSE).

Modernizing a brand new way of luxury living within the city with generous living space for each exclusive unit with Midtown Modern, hence encouraging comfortable family living at the heart of major rejuvenation.

Midtown Modern Developer
